Success Training Employment Program

STEP is a comprehensive, 3-phase program beginning with a 120-hour class enhancing employability skills. Topics include computer basics, resume creation, cover letter writing, interview skills, personal finance, and much, much more. After graduating, students work with our Job Developer to connect with real employers in the Central Florida community. And, once employed, students connect with our Success Coach to receive the support needed to maintain a job and reach financial goals.

The Member Share Grocery Program

Here's how it works: Income-qualified families bring income verification documents and complete our simple, one-page application to receive a Member Share Card. With this membership, they receive unlimited access to fresh produce, health items, shelf stable goods, frozen products, and household supplies for a small handling fee. SNAP benefits are also accepted.

Hours of Operation:
Monday - Saturday 8:00 a.m. - 7:00 p.m.
Sunday 10:00 a.m. - 4:00 p.m.

The Life Enrichment Center

The Life Enrichment Center offers guidance through the difficulties that may come your way. Our Crisis Navigation Team helps you create a plan, set goals, and access much needed resources in the Central Florida Community. Our unique approach focuses on collaboration with our On-Site Partner Network, Volunteers in our free Computer Lab, and a caring, compassionate team that is ready to say, "we've got your back!"

On-Site Partner Network

- Miracle of Love - M, Tu, W, Th, F 9-4
